GOALS OF THE MOSCOW SURFING FEDERATION

The main goal of the public organization, Moscow Surfing Federation, is to promote and develop surfing in Russia.

The public organization Moscow Surfing Federation, also referred to as "Federation" or "MSF", is a voluntary association of individuals and legal entities. Its aim is the development, promotion and popularization of traditional surfing, increasing the role of fitness and sports, all-round harmonious development of athletes, as well as the overall improvement of the image and Russia's standing in international sports. This is in accordance with the Federal Sport and Physical Education development strategy up to 2020, MSF's own goals and laws of the Russian Federation.

Our goal is to promote surfing in Moscow and the Moscow region, which will include:

- 1) Infrastructure implementation and development
 - Improving availability and affordability of surfing, and increasing participation through development of new sporting sites
 - Support of existing sites, helpful in developing appropriate physical skills: pools, skate parks, trampoline parks, etc.
- 2) Promotion of professional surfing
 - Organization of sporting events that include competitions, related training and skill sharing programs
 - Support for Russian athletes
 - Management and support of the Moscow Surfing Federation team
 - Event initiation and execution, aimed at the improvement of coaching skills and knowledge
- 3) Promotion of mass participation in sports and fitness
 - Master classes, festivals, exhibitions
 - Development and implementation of popular fitness programs
 - Coach training events
 - Support for sports classes, sports clubs, training centers and sports communities

4) Education, media and publishing

- Content creation for media portals, social networks, television, radio, websites and periodicals
- Educational events and shows: lectures, workshops, master classes and exhibitions
- Networking like-minded people and establishing cooperation:
 - Establishment and development of international networking with national federations, leagues and international surfing organizations
 - Networking and skills trade among athletes, coaches and instructors
 - Creating favorable conditions for cooperation among specialists in different fields, including networking with surfing equipment manufacturers, surfing schools, associations and promoters

The permanent collective governing body of the General Meeting of the Moscow Surfing Federation resides in the city of Moscow.
